

Group rides

All rides start from the car park at the entrance to the meeting point.

Meet 15 minutes before departure.

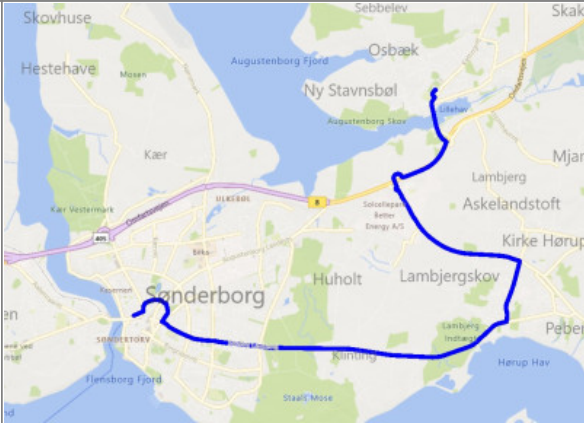

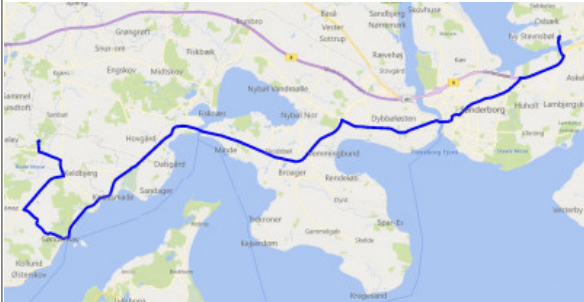

Make sure you have enough petrol for the journey** – preferably a full tank!**

The police have not authorised motorbike processions
Traffic regulations must be observed – e.g. when joining the road, at traffic lights and where there are road signs

Routes may differ from those indicated.

Neither a leaf rake nor a service trolley is provided.

You must make your own way home from all trips.

Sat 1 Aug	11:00	**The big group walk on Als The ride ends with a stop at Z-Aksen in Sønderborg. Local residents and others are invited to view the bikes and have a chat with the riders. NB: We are permitted to park on both sides of the streets around Z-Aksen; however, there must be a clear passage of at least 3 metres in the centre of the carriageway to ensure unhindered access for emergency vehicles. Please be aware of and obey traffic signs.	70	A map of the Als peninsula in Denmark. A yellow line indicates a route starting from Sønderborg, heading north to Stenkobbel, then east to Mommark, south to Drejby, and finally west back to Sønderborg. Various locations are labeled on the map, including Stenkobbel, Mommark, Drejby, Sønderborg, and several smaller towns and villages.
