

HELP US BE GREEN

You have allready made an effort to protect the environment by using a Green Sport Facility.

But many users and visitors help by:

- Throwing rubbish in the bin - both inside and outside
- Using less water when showering and using the toilet
- Drinking more tap water and less spring water
- Switching off lights when leaving an empty room
- Close doors and windows to prevent heat - or cooling - from escaping
- Sort your waste so that as much as possible can be recycled
- Walk, cycle or use public transport to and from the facility

THANK YOU

Augustenborg Halls
